MEMORANDUM FOR: Acting Chief, Requirements Branch, OSI

FROM: Chief, ROM/RQ

SUBJECT: [REDACTED] 25X1A6a

25X1X6

25X1A6a

25X1A6a

1. This is to advise you that [REDACTED] returned from the USSR to the Sovzone of Germany in October 1950. He is now undergoing interrogation by the [REDACTED] and reports based on this interrogation will be published in the near future.

25X1X6

25X1X6

2. [REDACTED] was employed from October 1946 to October 1950 at Zavod 2, Kuybyshev. He was employed from October 1950 to October 1952 at the IFA Plant, Leipzig, as production chief in charge of manufacturing motor vehicle component parts. [REDACTED] claims knowledge of the test stand details of the Jumo 022 Turbo prop tested at Zavod 2, and the production methods of component parts of Jumo 022. He also claims knowledge on the production of component parts for motor vehicles at the IFA Plant, Leipzig.

3. The interrogation of this source is being conducted by a fully qualified technical specialist who will cover in detail all aspects of the source's knowledgeability as outlined above. You may elect, therefore, to withhold specific requirements for this source until you have read the forthcoming reports. However, in the event that you have questions which are based on knowledge not available in [REDACTED] or are designed to exploit subjects which you feel might otherwise be overlooked, you may submit them now.

4. Your questions should solicit specific information only, and you are urged to supply as much background information as possible with whatever questions you submit. Additional biographic data may be obtained from the Biographic Register, OGD.
